Dedication

Dwight W. Newman

Mr. Newman congratulates Don.

We, the graduating class of 1967, proudly pay tribute to one who worked hard helping our class and our school. His good humor and unfailing patience kept us going when we were ready to give up. In recognition of all his qualities as a good teacher and friend, we dedicate the 1967 Vallescope to

In Memory

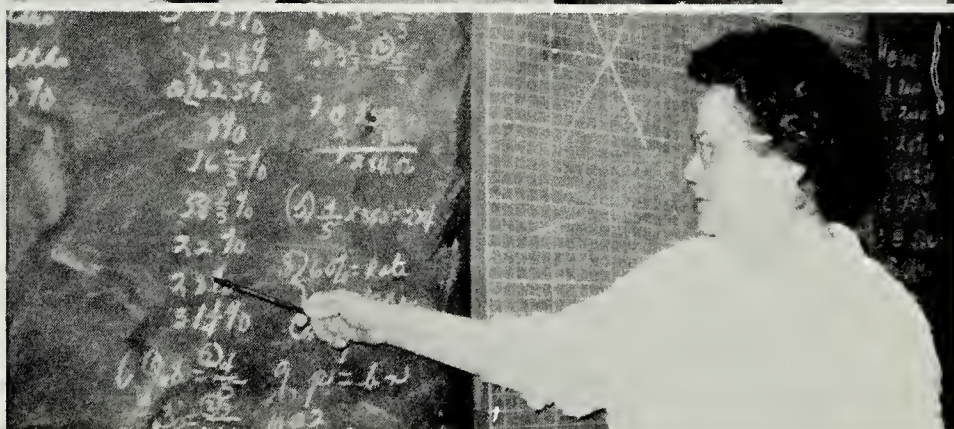

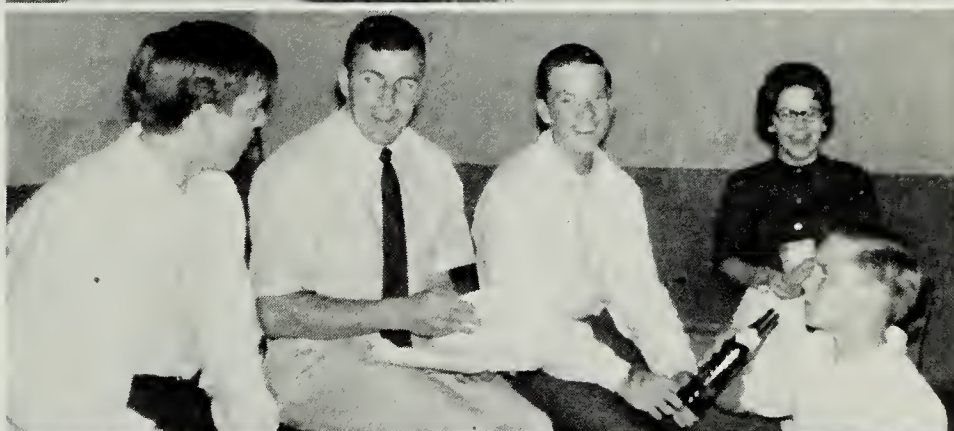

Ottis Eul Buchanan
(Class of 1967)
January 16, 1948-July 23, 1966

Ottis' memory will remain alive
in the hearts of his classmates
and friends.

Death, be not proud, though
some have called thee
Mighty and dreadful, for thou
art not so;
For those, whom thou think'st
thou dost over throw
Die not, poor Death.

- Donne

The students of Valley High have gained knowledge this year with the help of an interested administration and faculty. Each member of the faculty has shown pride in his own field of study and has encouraged the interest of all students.

ADMINISTRATION

School Board

The members of the Bath County School Board contribute much time and work to making our school system an effective organization for better education in our county. They secure competent teachers, provide adequate schools and equipment, and direct the use of school funds. Although an attempt to consolidate high schools was defeated by county voters this year, the school board is continuing to work on necessary improvements to our schools.

Learning is the reason for our being in school. As we learn, we see the importance of diligence in work and pride in accomplishment. A typed manuscript without an error, a perfect cake, a smoothly performed experiment, a thought captured in a poem or essay, a serious consideration of a problem in history, a finished coffee table, the solution to a difficult equation in math, a new skill in physical education-these represent our goals this year. From an eighth grader to a senior we see the year as a step toward our future roles as useful citizens.

Class of '67

As we, the class of nineteen hundred sixty-seven, look back over our high school days many memories are brought to mind. When we entered high school in the fall of 1962, we were seventy-five scared, bewildered eighth graders. Our sponsors that year were Mrs. Neff, Mrs. Everard, Mr. Newman, and Mr. Everard. For our football candidate, we chose Joyce McElwee. In the spring we were officially initiated into Valley by the seniors. The seniors initiated us on Sadie Hawkins Day, and that night we were entertained at a dance.

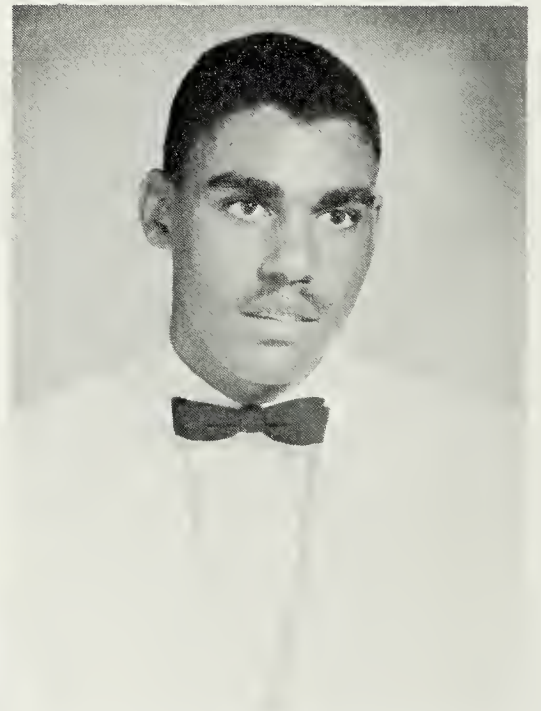

As freshmen our sponsors were Mrs. Neff, Mrs. Everard, and Mr. Newman. We elected the following officers: President-Danny Phillips; Vice-President-Sue Ellen Dodson; Secretary-Anna Lee Ward; Treasurer-Brenda Winebriner; Reporter-Sue Wiseman. Our class

favorite was Sue Ellen Dodson. We were proud to have our football candidate, Brenda Winebriner, become Homecoming Queen. Our freshman cheerleaders were Helen Buzzard and Lela Pritt.

In our sophomore year we elected Danny Phillips-President; Wayne Smith-Vice-President; Sue Ellen Dodson-Secretary; and Wayne Winebriner-Treasurer. Our sophomore sponsors were Mrs. Neff and Mr. Newman. We chose Helen Buzzard and Don Ryder as class favorites, and Helen Buzzard also represented our class as a cheerleader. We were again honored to have our football candidate, Phyllis Byrd, become Homecoming Queen. Kenneth Harris was a Page at the Model General Assembly in Richmond. We were also honored to have Wayne Winebriner chosen as Valley's exchange

Our junior year was filled with many important events. Our officers and sponsors were the same as the previous year. Our junior class received many honors. The class favorites were Joyce McElwee and Danny Phillips. We chose Brenda Buzzard as our football candidate. We were honored by winning the contest for the third time. Helen Buzzard and Joyce McElwee represented our class as cheerleaders. Don Ryder won the basketball award, and Don Williams won the baseball award. Wayne Smith represented our class at North Carolina State University where he toured the college and received information concerning the Pulp and Paper Technology Scholarship. and Wayne Winebriner was a Senator at the Model General Assembly in Richmond. Suzy Cleek was first runner-up in the Miss Bath County contest. Sue Wiseman represented Valley at Girls' State and Danny Phillips represented Valley at Boys' State. The first big event as Juniors was the arrival of our class rings. After the class rings, everyone looked forward to the Junior-Senior Prom. The Prom was held on May 7, 1966, in the Commonwealth Room of the Homestead Hotel. The theme of the prom was "Tender Is the Night". Sue Ellen Dodson was Princess and Donnie Williams was Prince.

As seniors we are looking forward to the prom, the senior trip, and graduation. Our sponsors this year are Mrs. Neff and Mrs. Mackey. The class officers are Danny Phillips-President; Wayne

The Endless Journey

We are travelers.

The road we walk upon is rough,
and our journey seems endless.

We seek the companionship of others,
but sometimes they reject us.

Often-times we become weary,
and we think of turning back,

But our destination holds promise,
so we walk on.

We cling to our hopes
as we move toward the unknown.

POST GRADUATE

JOHN WILLIAM ALLEN

As we advance we learn
to accept our debts to life.

We are thankful now for the disappointments
that have helped prepare us.

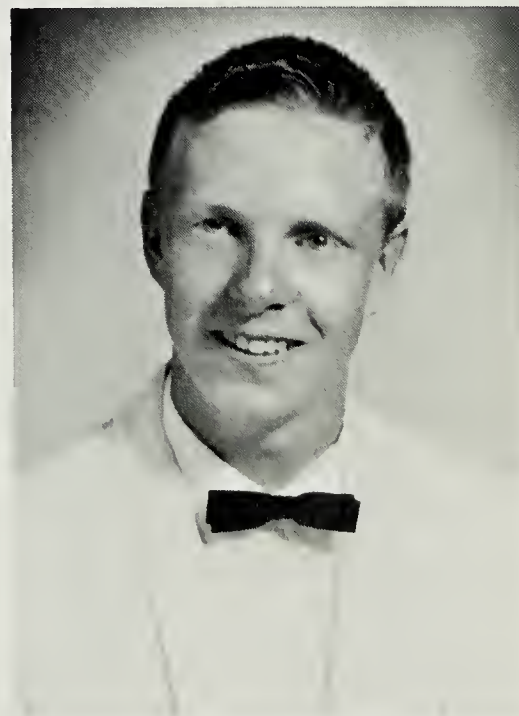

That which we have experienced has
opened our eyes.

There are changes that need to be
made--

We hold the tools in our hands,
and we must do the job.

These interests include Christian ideals and standards, practical work in teaching, and fire fighting. The Beta Club was organized to recognize students with a high academic rating. The Valley High School Band was also organized this year. These organizations help in developing leadership and a cooperative spirit among our students.

This year, school and class events have included homecoming activities, the Christmas Pageant, the Sweetheart Ball, the Prom and initiation of eighth graders, as well as other banquets and dances.

Sports are a very important part of any school. They help the students keep physically and mentally fit, teach the students how to get along with others and give the students knowledge of the rules of playing the game.

In our own school we participate in girls' and boys' basketball, football, golf, and baseball. These sports are important not only to the ones participating directly in the games, but also to the whole student body and faculty. They have a vital part in developing school spirit and loyalty.

Tree farming is a GROWING business

Proof? Ten years ago, there were only 16 million acres of woodlands on the nation's accredited Tree Farms. Today, there are almost 50 million acres, a three-fold increase. Each Tree Farm is being operated as a private enterprise, growing trees for a regular cash income, just like any other crop.

One of the big reasons why tree farming is a growing business is because the market for wood is growing. Annual consumption of wood products is rising at a steady rate and continues to rise as our economy expands.

The country's tree farmers are able to supply these growing needs because they are employing scientific forestry methods in cutting, harvesting, seeding and through the protection of their timber from fire and disease. This is good news not only for tree farmers and wood-using industries, but also for the nation.
